

BBS 2017 KINDERS' SUMMER CAMP

Activity Outline

At BBS Summer Camp our primary focus is to give children the chance to enjoy a rewarding summer camp experience, which builds self-esteem and new friendships through the many diverse, exciting activities. The program is designed to let individuals learn to enjoy time with others as well as the chance to practice self-reliance, leadership-skills-building and social interaction within groups in a caring and safe environment. The activities that are offered are tools to be used to make our campers meet these goals.
