Students can log into Wi-Fi, Google, Skoolee & Moodle using their school Google/Gmail credentials.

Login Instructions

1- Connect to the "BBS-Student" Wi-Fi on your laptop.
2- Click on the "Google" button as shown below:

3- Enter your school Google account and password. Please note that all students' passwords are reset at the beginning of the school year. Students will be given their new password on the first day of the school.
Skoollee and Moodle

After you log into your Google account successfully, you will be able to log into Skoollee and Moodle using the "Log in with Google" Button.

**Skoollee Login Instructions**

1. Open the Skoollee website: www.skoolee.bbs.edu.kw/skoolee
2. Click on the "Log in with Google" button as shown below:
