

October 2020

Dear Pre-K Candidate,

Thank you for showing an interest in Al-Bayan Preschool.

Al-Bayan Pre-K Program is one of the most prestigious programs in Kuwait offering two and three-year-old children a unique learning environment. Many different nationalities of teachers work side by side thus fostering a caring and cooperative workplace. Each classroom is resourced with adequate learning materials and supporting technology such as a computer, an interactive whiteboard, and a document camera.

Our program, inspired by the Reggio Emilia approach to early childhood education is unique in Kuwait. We value every child as strong, capable and rich with wonder and knowledge. They bring with them deep curiosity and unlimited potential to make meaning of their world and their place in it. We strive to help every child reach their full potential in a caring and nurturing environment. Our program stimulates learning through hands-on explorations while fostering rich language development. The Al-Bayan Pre-K program also follows a curricular goal which encourages children to be actively involved in the learning process and to experience a variety of developmentally appropriate activities and materials. It develops practical life skills and provides the children with the necessary foundation for the future. We are constantly striving to move our program forward by focusing on best practices.

We seek strong candidates with early childhood training and experience who not only understand the importance of collaborating but who are also capable of bringing their creativity to the process. Excellent English language skills are a must. Our teachers and teaching assistants are encouraged to adopt a “teaching for meaning” philosophy in their classroom.

We wish you success in your endeavor to secure a new and rewarding teaching position at Al-Bayan. Should you be joining our team, we will have further contact with you between now and August and remain available to answer any of your questions.

Always for children,

Anna Hutchison
Preschool Principal

Fatima Khalaf
Preschool Assistant Principal
