

## AP Physics 1 Summer Assignment Instructions

Dear AP Physics Students  
Welcome to AP Physics1!

In the shared, you will find the following:

1. One high school Physics textbook: Holt Physics.
2. Two College Physics textbooks: AP College Physics & Giancoli Physics.
3. AP Physics Course & Exam Description.
4. AP Physics 1 Workbook.
5. The Mathematics Basics Checklist.
6. The Summer Assignment.

You are requested to submit the solved summer assignment on the first day of school based on the situation then. Here are the pathways:

1. If the first semester starts physically, you are expected to submit the summer assignment as a hard copy.
2. If the first semester starts virtually, you are expected to submit the summer assignment as a digital copy; scanned of the physical copy or an edited version of the assignment document.

The summer assignment represents the first grade you collect in the course.

In the beginning of the second week, you will take a summative assessment in the topics covered in the summer assignment, So, be ready!

You may contact me if you need any help or any support.

My email is [mahmoud.negm@student.bbs.edu.kw](mailto:mahmoud.negm@student.bbs.edu.kw)

Good luck, AP's :-)
