---	---	--

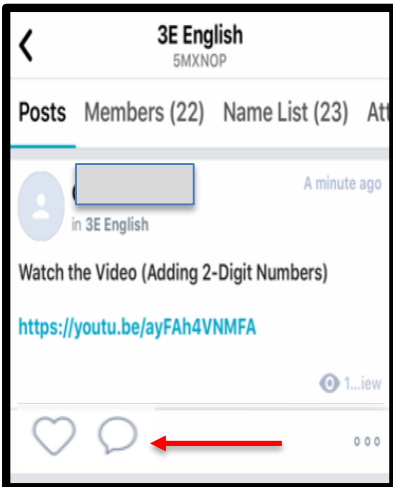

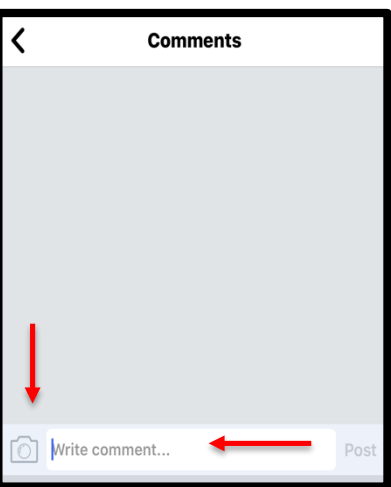

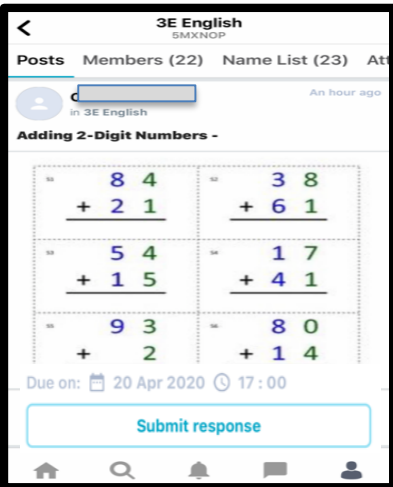

There are two types of posts:

1) General Posts

- Students are **not** asked to submit a response
- Students have the option to add a comment to the post, if the teacher enables this option
- Comments will be viewed by the whole class

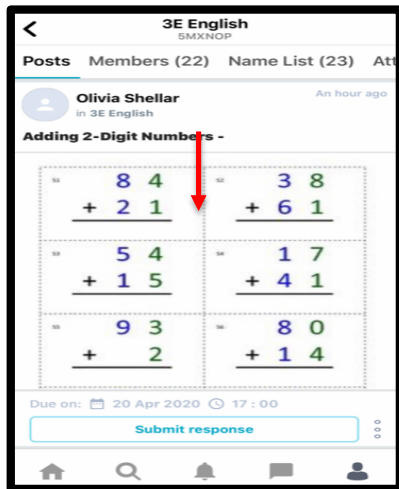

2) Assignments

- Students are **required** to submit a response
- Only the teacher can view students' responses
- There is a due date/time for the assignment
- Teacher can choose to grade the assignment
- Students can submit only one response for each assignment
- Students can edit the response, if the teacher enables this feature. Editing stays valid until due date.

<p>3- Example of a general post. Comments symbol 🗨 will show if the feature is enabled by the teacher</p> 	<p>4- You can add a text comment or a picture.</p> 	<p>5- Example of an assignment. Notice "Submit response" and due date/time at the bottom.</p>
